Inspector Final Notes:

VEHICLE IN VERY GOOD CONDITION. IT DOES SHOW AN OLDER RESTORATION BUT HAS HELD UP VERY WELL. THE ENGINE, TRANSMISSION AND DRIVELINE OF THIS CAR IS VERY GOOD AND SEEMS VERY DEPENDABLE. THE REAR BRAKES NEED A BIT OF ATTENTION AND ADJUSTMENT. INTERIOR IS IN GOOD CONDITION, SOME OF THE TRIM PANELS COULD BE IN A BIT BETTER CONDITION BUT STILL DECENT. APPEARS TO BE ENOUGH ROOM FOR SEATBELTS TO BE INSTALLED. ALL IN ALL, A NICE SOLID COLLECTOR CAR.
